V-1

Varmora Granito Pvt. Ltd. came into being with a clear vision - to become a global leader in the world of ceramics in the span of two decades, our futuristic group has grown by leaps and bounds into a nationwide conglomerate manufacturing quality ceramic, porcelain and vitrified tiles. The stability of the company is as good as any 25 years old experienced organization. Spearheaded by visionaries Mr. Bhavesh Varmora, our multi-million business has a vast network of more than 5000 retail outlets and over 700 dealers, we also run around 13 branches offices with more than 1200 professionals across the country.

Varmora has created a modern infrastructure by adopting new-tech and upgrading manufacturing techniques to improve production capacity and quality. Varmora has 11 different state-of-the-art plants across the country with over 1,10,000 sq. mts. capacity, which allows them to keep their status as the industry leaders. The company has also adopted several environment-friendly manufacturing techniques like water-saving technology. Elaborate and extensive R&D programs have also been set-up to assist in Varmora's endeavor to create more innovative products.
